Exam Site Committee Update

Tony Williams, CHP, Chair

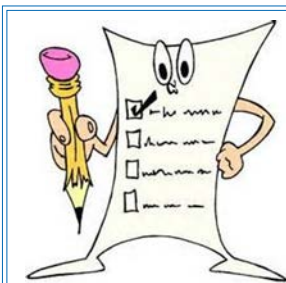

Greetings! It has been an honor and pleasure to serve as the American Academy of Health Physics Examination Site Committee Chair. The committee is responsible for securing sites and proctors for health physicists who are sitting for the American Board of Health Physics (ABHP) examinations.

The committee is composed of four members, including me (chair), Josip Zic, Christopher Graham, and Sean Murphy. Sean is our newest member, joining us in 2015.

Identifying and establishing 18 examination sites within the United States and Canada is not an easy task, but Josip, Christopher, and Sean did an outstanding job and made my life easy as the chair!

The committee would like to recognize and give a special "thank you" to all of our proctors (who numbered over 50) and to the organizations that agreed to host the examinations. Your outstanding dedication and support ensured that the 2015 ABHP examination was a success.

Again, thank you!

Stop procrastinating! Applications to take either part of the 2016 ABHP examination must be filed with the Secretariat and postmarked **no later than 15 January 2016**.

Report of Changes to AAHP Documents

Jim Stafford, CHP, AAHP Parliamentarian

The standard operating procedures (SOPs) of the American Academy of Health Physics (AAHP) are reviewed periodically. Changes are proposed and approved during meetings of the AAHP Executive Committee.

Revisions to SOP 2.1.1 (Review of Appeals) and SOP 2.2.2 (Assigning Continuing Education Credits to Continuing Education Activities) were recommended and approved by the Executive Committee at the 2015 midyear meeting.

Although not required to be approved by the Executive Committee, SOP 6.2.4 (Good Things to Know Document for Secretary), SOP 6.2.7 (Good Things to Know Document for Parliamentarian), and SOP 6.2.15 (Good Things to Know for *CHP News* Editor) were also revised recently.

The revised procedures are available on the [AAHP website](#). (Note: Your AAHP user ID and password will be needed to access this area of the site.)
