THE MARKETPLACE

To Advertise in The Marketplace

The 3.44" x 2.25" ads may be submitted:
1) camera-ready in black and white;
2) by sending a business card for the Newsletter’s printer to size the card to ad space (additional $25);
3) as text to be formatted by the Newsletter office, with the option to print a logo (additional $25);
4) by sending ideas and/or a logo and allowing the Newsletter office to design an ad (additional $50).

Rates for printing ads in the Marketplace section:
• $200 for each ad submitted on an issue-to-issue basis
• $575 total fee for one ad to appear in 3 issues/year
• $1000 total fee for one ad to appear in 6 issues/year
• $2000 total fee for one ad to appear in 12 issues/year
(The $25 to $50 charges apply each time the ad is altered.)

Walk Through Whole Body Surface Contamination Monitors With SEALED Proportional Tubes

• No flow gas or lube purging is required, tubes are permanently sealed using a proportional type gas mixture.
• Substantially lower operating and maintenance costs as compared to other flow gas systems.
• Large area, ultra thin aluminum or titanium windows for excellent low energy beta responses.
• Industrial quality PC-based, network ready.
• User friendly Interaction with color VGA and digitized voice prompts.
• Available in "1-step" or "2-step" versions.
