1995 ABHP Certification Exam Results Congratulations!

The results of the 1995 ABHP Certification Exam are as follows: 150 out of 304 candidates passed Part I and 37 out of 194 candidates passed Part II of the exam. In addition, one candidate who had previously passed Part II of the exam successfully completed Part I of the exam.

The ABHP and the AAHP are concerned about the large number of unsuccessful candidates who sat for the 1995 Part II exam. However, after a thorough review of the means by which the exam was prepared, administered, and graded, no deficiencies in the process could be found. Therefore, the scores provided to the ABHP and the AAHP by the Part II Panel of Examiners were accepted without modification.

The ABHP and the AAHP appreciate the help of the CHPs who have served on the panels of examiners and have donated many hours of their time to develop and grade the examinations. Without their help the examinations could not have taken place. The members of the panels of examiners were listed in the December 1995 CHP insert.

The help of the CHPs who proctored the 1995 exam is also very much appreciated. Their names were listed in the CHP Corner, November 1995 *Newsletter*. ■
