SPOKANE: UPDATES, REMINDERS, AND ANNOUNCEMENTS, OH MY!

Sunscreen? Check. Hiking boots? Check. Bow ties and pocket protectors? Check. What else is there for the Spokane meeting, which is only two weeks away?!

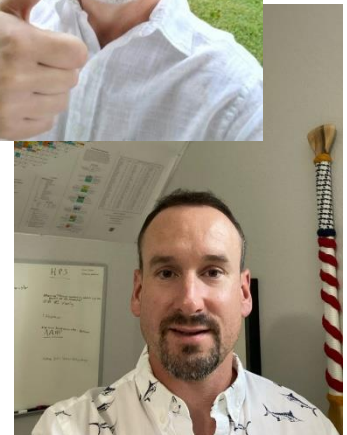

Get your CECs on: Registration for the **in person and virtual [Continuing Education Courses](#)** in Spokane on Saturday 7/16 is through our website. Also, the [History of the LNT video series](#) is ready to educate you and provide 10 CECs!

AAHP Awards Luncheon: Sign up to get your seat at the [AAHP and ABHP Awards Luncheon](#). See your colleagues be recognized for outstanding contributions to our profession, meet the newest CHPs, and connect with old friends. Remember, this year the registration is through our website, not the conference registration.

AAHP Special Session: This year's special session, *The System of Radiological Protection*, is split between Tuesday and Wednesday afternoons. Mark it on the conference app as a must-attend as we'll hear from ICRP, IRPA, US EPA, NCRP, CRCPD, US DOE, ICRP, and others. Bonus points to the person who can spell the most unique word(s) from those acronyms.

Volunteer at the AAHP booth: Ian Lake is still looking for volunteers to staff the booth Monday through Wednesday. Send him an email at iptlake@gmail.com to volunteer for a shift.

And now for something completely different, I present below some photos in support of the ABHP Part 2 exam takers last Monday. Aloha!! See you in Spokane!

Top left: Carolyn MacKenzie; Center: ORAU CHPs Pat McCloskey, Matt McFee, Jackson Ellis, and Nick Altic; Top right: Scott Schwahn; Bottom right: Dan Sowers; Bottom left: Gus Potter.
